Where to stay

Cluster 0

Slightly expensive price, decent number of reviews, rarely available, minimum of two nights stay

Cluster 1

Expensive, decent reviews, available almost half the time, but has to stay a minimum of four nights

Cluster 2

Luxurious and way too expensive price, not overwhelmingly reviewed, available almost half the time, minimum stay of three nights

Cluster 3

Cheapest place to stay, not reviewed as much, available half the time, but has to be rented

Cluster 4

More cheaper choices, reviewed quite a number of times, available half the time, and only requires a stay of one night
